SIR:

In response to the Request for Corrected Drawings mailed June 13, 2005, please accept the attached corrected drawings and consider the following remarks.

37 C.F.R. §1.84(b) and (h) Objection to the Drawings

The drawings were objected to because a full tone set of the photographs was not provided (37 C.F.R. §1.84(b)) and the view numbers were not preceded by the abbreviation "FIG" (37 C.F.R. §1.84(h)). Applicants respectfully submit that the corrected full-tone photographic set of four (4) drawings, labeled as FIG. 1A, FIG. 1B, FIG. 2A and FIG. 2B, comply with 37 C.F.R. §1.84(b) and (h). Applicants request that the objection to the drawings be withdrawn in light of the correction.
